

2019 Open Evening

Clinical Updates - the new periodontal classification, endodontic top tips, the orthodontic-periodontal interface and presentation of a difficult denture case

Presentations from the specialists at Garstang Dental Referral Practice
Thursday 10th October 2019 from 5.45pm at Garstang Country Hotel and Golf Club

Syed Abad, Specialist in Periodontics	"The New Periodontal Classification: Implementation guidelines and case studies"
Rachel Seed, Specialist in Orthodontics	"The orthodontic-periodontal interface"
Robert Jacobs, Specialist in Endodontics	"Practical tips for successful endodontics"
Finlay Sutton, Specialist in Restorative Dentistry, Prosthodontics, Periodontics and Endodontics	"My most difficult full denture case ever.....so far!"

Aims and objectives of the presentations and open evening are to:

- Give a clear, concise and simple explanation of the new periodontal classification
- Provide practical advice, hints and tips, which can be applied straight into clinical practice
- Highlight potential pitfalls and problems when treating periodontal, denture, endodontic and orthodontic cases
- Help identifying patients who would benefit from specialist referral and management
- Evidence that you can refer patients to us with total confidence
- Meet the team and discuss cases if you wish

The evening will consist of a hot buffet meal from 5.45pm followed by presentations at 6.30pm prompt.
The evening is free of charge and will provide 2 hours verifiable CPD.
