

2021 Open Evening

Clinical Updates – resin bonded bridges, dentures, orthodontics, endodontics and periodontics

Presentations from the specialists at Garstang Dental Referral Practice
Thursday 4th November 2021 from 5.45pm at Garstang Country Hotel and Golf Club

Zohaib Ali, Specialist in Prosthodontics	“Resin retained bridges: Predictably successful”
Rachel Seed, Specialist in Orthodontics	“Clinical case presentation”
Robert Jacobs, Specialist in Endodontics	“Top tips for negotiating curved root canals”
Finlay Sutton, Specialist in Restorative Dentistry, Prosthodontics, Periodontics and Endodontics	“Getting the teeth in the right place for complete dentures – 6 secrets to carving the wax rim.”
Syed Abad, Specialist in Periodontics	“Surgical periodontics – A step by step approach to pocket reduction surgery”

Aims and objectives of the presentations and open evening are to:

- Provide practical advice, hints and tips, which can be applied straight into clinical practice
- Highlight potential pitfalls and problems when treating patients within our disciplines
- Help identifying patients who will benefit from specialist referral and management
- Provide evidence that you can refer patients to us with total confidence
- Meet the team and discuss clinical cases

The evening will consist of a hot buffet meal from 5.45pm followed by presentations at 6.30pm prompt.
The evening is free of charge and provides 2 hours verifiable CPD.
